

Madison

1811 sq. ft. | 3 Bedroom | 2 Bath

Uncommon Standards at an Uncommon Value.

This comfortable home is designed for

alley access and has an eye pleasing street presence. It features an expansive great room, vaulted ceilings and an open design with the kitchen and dining area. The oversized master suite includes a walk in closet and spacious master bath. The split bedroom design provides good separation between the master suite and the two bedrooms and study near the front entrance.
