

Uncommon Standards at an Uncommon Value.

This lovely two-story home is designed

to fit comfortably on a narrow property. Bedrooms are located upstairs creating a spacious living area downstairs. The large great room shares an open design with the kitchen and dining room. The distinct shape and placement of the kitchen island and bar brings people together while giving the chef plenty of room to spread out. The enclosed laundry room is conveniently located upstairs near the bedrooms. An especially large master bedroom features a walk in closet and cozy sitting area.
