### The Revolution's innovative design

makes this large home perfect for smaller properties. Its spacious great room features tall vaulted ceilings, rear view wall windows and open design with the kitchen and dining room. The kitchen features a generous pantry, large island with a built in sink and bar, abundant counter space, quality cabinetry and appliances. The laundry room is conveniently located near the bedrooms and away from the main living area. Its garage entrance and counter with built in sink make this small mudroom an easy place to dust off your latest Central Oregon adventure.
