

2528 sq. ft. | 3 Bedroom | 2.5 Bath | + Study and Bonus Room

Uncommon Standards at an Uncommon Value.

### The design of this spacious home

features a split guest wing that separates the study and guest rooms from the master suite. It features an expansive great room, vaulted ceilings and an open design with the kitchen and dining area. Tall view windows bring in an abundance of natural light. An extra large laundry area has plenty of room for coats and boots when you enter from the double garage. The large master suite is complimented by a spacious bathroom and equally roomy walk in closet.
