

Kennedy 2

2909 sq. ft. | 3 Bedroom | 2 Bath | +Study & Bonus Room

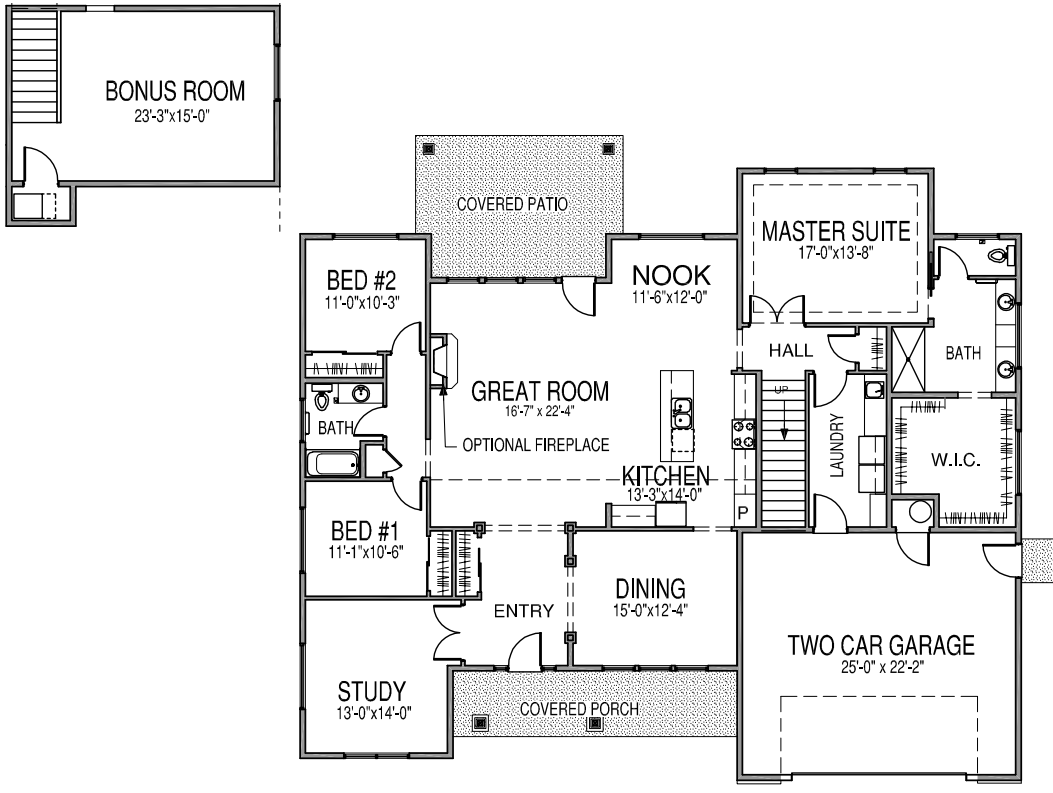

Spacious Living with Flexible Gathering Spaces

The Kennedy 2 combines generous living spaces with thoughtful design, creating a home that feels both open and comfortable. Vaulted ceilings and oversized windows fill the main living areas with natural light, giving the home a bright, welcoming atmosphere from the moment you step inside.

At the heart of the layout, the kitchen and great room flow together in one inviting space designed for everyday living and easy entertaining. A large island with seating keeps the cook connected to conversation while offering generous prep space, quality cabinetry, and well-placed appliances. Nearby, both a breakfast nook and a formal dining room pro-

vide options for casual meals or larger gatherings. Outdoor living is just steps away, with an expansive covered patio that naturally extends the home's gathering spaces—perfect for relaxed evenings, weekend grilling, or enjoying fresh air year-round.

A private study provides a quiet place for work or hobbies, while the bonus room offers added flexibility for a media room, play space, or additional living area. With its bright interior, versatile spaces, and comfortable flow, the Kennedy 2 is designed to support both everyday routines and memorable moments at home.
